ADULTING Challenge 2022

Hello seniors!

The team at Flying S is proud of you for studying hard and finally being ready to graduate. We want to reward all your efforts with a special event at Flying S.

This month, we would like you to come celebrate your promotion to adulthood by participating in a series of challenges, some easy, others more difficult. But that's life, you never know what might happen.

THE CHALLENGE: Contestants will be tested in practical ways about history, car/home maintenance, finances, people skills and kitchen skills.

On the back side you will see a list of the challenges you can be preparing for now.

HELP DESK: If you get stuck, you can ask for hints/help at the Help Desk.

PHONE A FRIEND?: You will have the ability to "phone a friend", and yes, Siri can be one of your friends—but only once.

REWARDS/PRIZES: If you can complete all the tasks in the allotted time there will be prizes, including real cash, thanks to our sponsors!

WHEN/WHERE: Tuesday May 17, 3-7PM at Flying S Inc
To participate, please talk to your guidance counselor.

For more information please call Perry Shaw at (618) 586-9999 or email perry@flying-s.com.
